Both Sides Used His Statements In Campaign.

STATEMENS BY JOHN R. MILEAN.

Believed the Democrats Would Have the Most Votes - Foster's Frediction of

CINCINNATI, Nov. 6 .- A peculiar featare of the campaign in this state has been the use by the parties of the utterances of ex-Senator John Sherman. It s well known among public men in Ohio that Senator Sherman has a warm feeling for Judge Nash and heretofore published telegrams from Mr. Sherman showing that feeling. One printed Sun-day, addressed to Chairman Dick of Republican state committee, said: "I feel the deepest solicitude for the election of Judge Nash. It will mean vicory for sound money and prosper-

ity."

It is also well known that Mr. Sherman has not a cordial feeling for President McKinley and Senator Hanna, and that he openly antagonizes the president's Pinlippine policy. Hence the Democratic papers have been publish ing interviews and dispatches from ex-Senator Sherman indicating his position in that regard.

"One of the latter, addressed to the editor of an Ohio Democratic paper, contained the following: 'I am strongly opposed to the enforced annexation of the Philippine islands. The seizure of any part of the Philippines against their will is a gross violation of the laws of

After a most careful canvass, after a most thorough look into the situation, hearing from every county, from nearly every township of the state, I believe that the Democratic ticket will receive many thousands more votes than the Republican ticket. "After a careful look through the election system of Ohio, after going over the organization of our party and looking fairly into the organization of the opposite party, I do not believe that

any wrong can be successfully brought "All the Democrats have to do is to be careful; watch the votes cast; see them counted after they are cast; see the returns properly made and sealed, shutting out all opportunities to substi-tute a Hauna ballot for a Democratic one, and victory is completely ours. "I say this without qualification, with-

BUCKHANNON, W. Va., Nov. 6 .- Martin Williams a student at the Conference seminary here, in company with other students, were burning the president in effigy. Seminary special police saw the burning figure and hastened to the scene. The boys ran and to stop them several shots were fired at the ficeing crowd. One of these struck Williams and he fell and must have police did not find him and he made his way to his room later and fell

MISS GOULD IN LARNEST.

Appeals to the Soldiers to Aid In the Fight Against Polygamist Roberts.

WASHINGTON, Nov. 6 .- Adjutant General Liller of the Spanish veterans has received the following letter from Miss

Helen Gould, dated Nov. 2: "If the matter commends itself to your good judgment and you have not already taken an interest in the Roberts question, I hope you may feel willing

to do so.
"Mr. Roberts, it seems, has at least three wives and, advocating and practising the principle he does, he should not, we women think, be allowed to have a seat in the highest lawmaking body of our land. We realize that what we think cannot carry the weight with congressmen that communications from voters would have, and we earnestly hope that men who sympathize with the movement will be willing to write to their congressmen or circulate

"I have never before taken any active part in any political question, but this movement is of the protection of the home and of women throughout the country, and I am glad to use the little influence for what I believe to be righteous. I trust you will pardon me for troubling you, but you soldiers have been so good to me. I am venturing to call your attention to a matter that interests me deeply. Enclosed you will find some of the leaflets on the subject issued by the League for Social Service.

"Very truly,
